

DECLARATION ON THE SITUATION IN TURKEY

We condemn the attempted coup d'Etat that took place in Turkey last July, but express our strong concern at the large number of politically motivated arrests that have taken place in recent months.

We call for the immediate release of imprisoned parliamentarians, the application of the rule of law to all ongoing cases, and respect for freedom of expression.

We call for the evaluation of pre-accession assistance relation to reform of the Turkish judicial and institutional system.
