Listy:	Prílohy:	Vybavuje:

Bratislava 7.1.2025
Číslo: Z000389-2025 - OF

Vážený pán poslanec,

na základe Vašej interpelácie zo dňa 11. decembra 2024, ktorá bola písomne doručená predsedovi Národnej rady Slovenskej republiky vo veci dostupnosti kategorizovaných liekov si dovoľujem uviesť nasledovné stanovisko:

Otázka č.1: Koľko a ktoré z kategorizovaných liekov boli v roku 2023 nedostupné dlhšie ako 1. mesiac (vrátane mena dovozcu a distribútora)?

Zoznam kategorizovaných liekov, ktoré boli nedostupné v roku 2023 dlhšie ako jeden mesiac Vám prikladám v prílohe.

Otázka č. 2: Pri koľkých a ktorých z nedostupných kategorizovaných liekov (dlhšie ako jeden mesiac) sa zabezpečila náhrada rovnako účinnou látkou prostredníctvom mimoriadneho dovozu (vrátane mena dovozcu a distribútora)?

Ministerstvo zdravotníctva Slovenskej republiky (ďalej len „ministerstvo zdravotníctva“) vydalo povolenia na terapeutické použitie humánnych liekov určených pre skupinu pacientov pre potreby všetkých zdravotníckych zariadení Slovenskej republiky:

- ***Metronidazol Basi 5mg/ml sol inf 50x100ml***
- ***Heloper L.A. 50mg/ml sol inj 1x1***

Ďalej si dovoľujem uviesť, že ministerstvo zdravotníctva nedisponuje údajmi o držiteľovi povolenia na veľkodistribúciu liekov, ktorý zabezpečil dovoz uvedených liekov do Slovenskej republiky.

Podľa zákona č. 362/2011 Z. z. o liekoch a zdravotníckych pomôckach v znení neskorších predpisov, terapeutické použitie humánneho lieku povoľuje Ministerstvo zdravotníctva SR, ak nie je dostupný porovnateľný registrovaný humánny liek.

S pozdravom

Vážený pán

Peter Stachura

poslanec NR SR

Národná rada Slovenskej republiky

Bratislava
